

Taking the "Self" Out of Self-Insurance

In today's world, businesses can be held liable for practically anything. That's especially true in the hospitality industry, where restaurant and bar owners face a variety of exposures every day. Businesses may be named in lawsuits for incidents that occurred off premises or were only remotely connected to the establishment.

That's where Hospitality Insurance Group comes in. As a private, mutually owned insurance company, we offer Commercial Property, Liquor Liability, General Liability, Assault & Battery, Temporary Event Coverage and Excess Policies to businesses that serve or sell liquor. At Hospitality Insurance Group, we "take the risk out of hospitality!"
